1. The NEF Works (Nachrichtentechnische Entwicklung und Fertigung) at Berlin - Oberschöneweide have now been renamed EVK (Russian abbreviation, full name unknown).
2. There has been a drop in quality and quantity of output, as a result of which the Russians have imposed fines in the form of cuts in employees' food supplies and cigarette rations.
3. Some engineers and mechanics have resigned but have been told their contracts were long-term ones and that they could not give notice.
